The Animal Edition

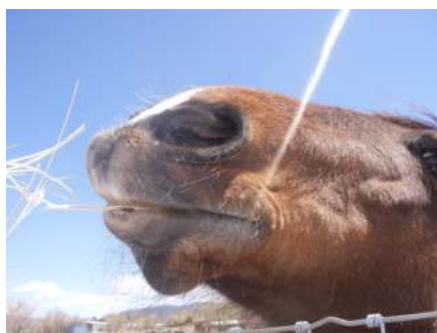

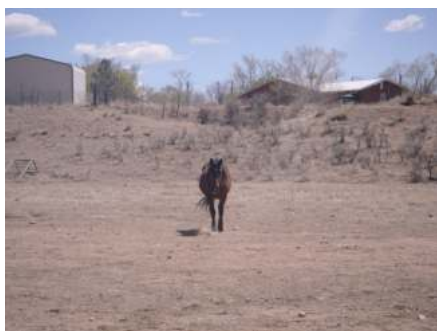

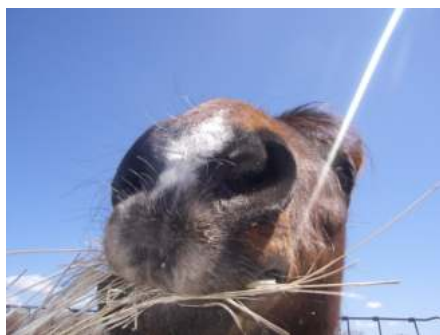

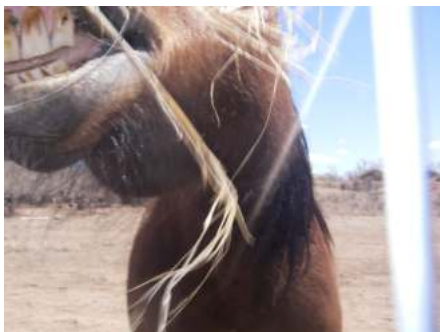

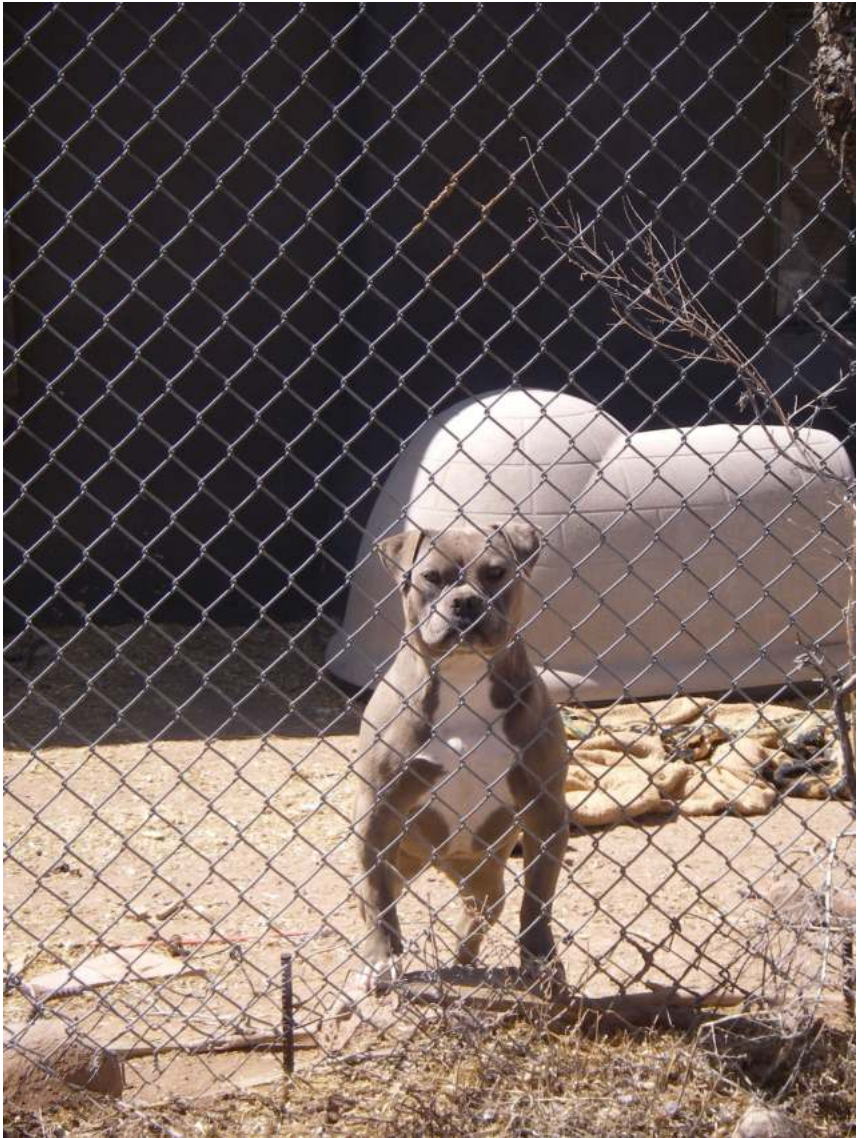

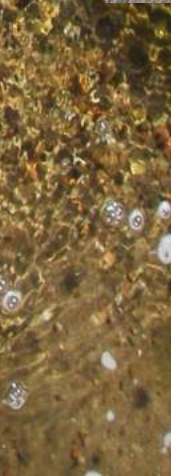

ATTENTION

The field is very dark, and dangerous. It is important that you DO NOT leave any food outside or around the house.

If you see a bear, contact security at 474-4284 or 474-4285.

Please be careful!!

For the scheduled hours, the campus and the Center are not open to the public, as we are an educational institution working with students and teachers from throughout the world.

Kindly respect our privacy by leaving your car in a drive on the road around the playing fields.
